Society of Saint Vincent de Paul

**Serving the poor in Canada
since 1846**

A Brief History

The Society of Saint Vincent de Paul is an international lay Catholic organization founded in 1833 by young 20 year old Frédéric Ozanam and his university companions. Ozanam was beatified on August 22, 1997. His feast day is celebrated on September 9.

Blessed Frédéric is recognized as the main founder of the Society of Saint Vincent de Paul. He was that rare individual of intellectual genius and extraordinary holiness. He was a husband, father, professor and researcher, journalist and author, apologist and defender of the faith. Above all he personified the Good Samaritan

Dr. Joseph Painchaud, a companion of Frédéric, established the Society in Canada in 1846 in Quebec City.

The International Confederation has its offices in Paris France where the first Conference was founded. There are now close to one million members who work to serve the needs of the poor in over 147 countries.

Catholic in character, the Society is open to all those who wish to live their faith by loving and serving their neighbour. Faithful to its founder, the Society constantly strives to renew and adapt itself to the changing conditions of the world.

Patron and Patroness of the Society

The Patron of the Society is Saint Vincent de Paul (1581 – 1660). Pope Leo XIII named him patron of works of charity. He is a most suitable example to follow.

The Society was placed under the protection of the Blessed Virgin Mary. Each year on December 8th, members renew their request to Our Blessed Lady that she guide them in their charitable works.

Mission and Values

The mission of the Society of Saint Vincent de Paul is to live the Gospel message by serving Christ in the poor with love, respect, justice and joy.

The mission of the Society implies that as Vincentians we:

- See Christ in anyone who suffers;
- Come together as a family;
- Have personal contact with the poor;
- Help in all possible ways.

The Motto of the Society:

**Serviens In Spe
To Serve in Hope**

The work of the Society

We are called to alleviate suffering and its causes, serving everyone regardless of race, creed, gender, opinion or age. As Vincentians we understand that poverty does not only involve being in need of material goods.

The Society's main service throughout the world is home visits to the poor.

Mathew 25:64-40... For I was hungry...

Vincentians also strive to address the root causes of poverty and injustice by acting as “the voice of the poor”.

The Society in Canada

There are Society Conferences in all provinces, the N.W. Territories and the Nunavut in Canada. These Conferences can be found in parishes, schools, colleges, universities and workplaces.

Membership in the Society of Saint Vincent de Paul

Membership is open to all who commit to the Mission of the Society and its Values, and are interested in developing their spiritual life. Vincentians attend meetings, pray with and for each other, visit the poor, and serve in any way they can as “no work of charity is foreign to the Society”.
